

Hapeville charter career academy

Fulton county public charter high school
in partnership with Atlanta technical college

Richard Fowler, principal

February 17, 2022

To Eta Omega Scholarship Committee:

It is with immense pleasure that I can recommend William Acquah for acceptance of this scholarship. I have seen him grow and mature into an outstanding individual with many qualities that make him an asset to any school or organization. William is a well-rounded young man, with a wonderful personality, and has a lot to offer. He has continued to challenge himself academically by taking the most rigorous courses available. His grades and extracurricular activities are all indicative of his outstanding academic performance and have earned him the position of being in the top 5% of his graduating class. His school involvement includes BETA Club and volunteer activities. William is actively involved in his community through several service organizations. This year he organized an initiative to collect essential items for the local homeless shelter. He is an extraordinary young man who I feel exhibits all of the characteristics that will make him successful. It is for these reasons that I highly recommend William Acquah for this scholarship.

Best Regards,

Aranya Knox
