To Eta Omega Scholarship Board:

I have known William Acquah for 4 academic school years, formerly as his 9th Grade Literature and Composition teacher, at Hapeville Charter Career Academy. In addition, William has been an active member of the Student Government Association (SGA) for 4 consecutive years in which I am the organization's advisor. William was nominated for 11th Grade Vice President of SGA during the 2020-2021 school year. William is currently a Student Ambassador for the Secretary of State for Georgia representing Hapeville Charter Career Academy. From this experience, I can say with confidence that William is a dedicated student who leads by example and will be an asset to your academic institution.

As a freshman and now senior, William has been dedicated to his studies and a quiet leader in his class. I appreciate his enthusiasm for his education and his delicate personality. I know that he will be an outstanding addition to your community of scholarship recipients and to a collegiate program.

Please accept this letter of recommendation on the behalf of William Acquah as he is highly recommended.

Educationally Yours,

Ms. Alexis Green
