March 2022

Dear Sir or Madam:

Hello, my name is Ms. King, the School Counselor for Mr. Anthony Mitchell. It is an honor to have the opportunity to write a recommendation letter for Mr. Mitchell. Anthony started South Atlanta High School in his first year in high school in August 2018. Anthony has earned exemplary grades in all courses at South Atlanta High School. He has a 4.0 weighted grade point average and ranks 4 out of 168 in his senior class. Anthony plans to pursue Engineering when he attends college in the fall, so he has invested himself in our S.T.E.M. program, which has helped expose him to the foundations of engineering and other S.T.E.M. opportunities. Anthony is mature and dedicated to excellence. Because of Anthony's positive character, I am confident that when he enters college in the fall an asset to both the academic and social areas of that institution.

Students are encouraged to get involved and invest in the school and community with their time and passion. Anthony participates in the following extracurricular activities at South Atlanta: Upward Bound, UNCF, S.A.H.S. S.T.E.M. Council, C.S.O. (Chief Science Officer), BETA Club, and P.A.S.T., a peer mentoring program. He also is part of the following sports programs Track and Field, Football, and Band. For football and track, he is the captain of both teams. He has also received several academic awards for being on the Principal's List, Top Five Percent of Class, and Honor Roll. He earned the Coach's Award in Track and Field and Student-Athlete Award for his leadership in sports. Lastly, he received an award for participating in community service by giving his time by working at the local homeless shelter with the Upward Bound program he is in and working as a Peer Mentor with the P.A.S.T. program. In addition to his extracurricular activities and community service Anthony is employed at Chick Fila as a cashier, where he works as a customer service specialist.

As one of the top students in his class, Anthony is dedicated to academic success and personal life. He surrounds himself with students that make positive decisions, and he is never involved in anything related to negativity at the school. He serves as a school leader, not because of his ranking but because he exemplifies maturity and commitment. Staff members always assign Anthony to work on various projects or serve as a mentor for other students who can benefit from his guidance. If given the opportunity to receive your organization's scholarship, he will represent your organization positively and professionally.

Please feel free to contact Ms. King at (404) 802-5052 Monday through Friday 8:00 a.m.-4:00 p.m. or email at [wanetta.king@atlanta.k12.ga.us](mailto:wanetta.king@atlanta.k12.ga.us).

Respectfully,

*Ms. Wanetta M. King*
