It is a pleasure to recommend Cameron Griffin as a recipient of the Eta Omega Chapter Scholarship.

Throughout Cameron's time at Westlake High School, Cameron has maintained a great academic standing. His drive and determination to achieve scholastically while juggling other related responsibilities such as being a member of the National Honor Society, National Arts Society, Westlake Golf Team, while participating in the Christmas Uplift and Golf Classic for the ETA Omega Chapter, not only displays Cameron's dedication to scholarship, service, but citizenship as well. I strongly believe being a recipient of the Eta Omega Chapter Scholarship will not only enhance Cameron's scholarship, service, and citizenship, but will also push Cameron to be a leader within any setting he is in.

During Cameron's time in my class, he was determined in accomplishing his goals. Being focused and persistent were traits always being displayed. Cameron's attributes and accolades are merely touched upon in this brief letter, which in no way, clearly expresses his true dedication and determination to succeed and excel in everything he puts his mind to.

In closing, I believe Cameron would be a well-deserving recipient of the Eta Omega Chapter Scholarship for reasons which are beyond my ability to explain in anymore words. As an educator, it is rare to encounter an exceptionally well-rounded individual such as Cameron. He is obviously gifted with leadership capabilities and is equally impressive in his shining attitude and giving spirit. Your committee would be remiss in overlooking Cameron.

Please feel free to contact me if I can provide any additional information.

Sincerely,
Mr. Marcel Smith
