for Academic Excellence

Recommendation for Justin Wallace-

Good Afternoon. It is my pleasure that I have been chosen to provide this letter of recommendation on the behalf of a prominent being Justin Wallace. I am one of Justin's mentors at The YMCA Reach Program. I have known him for about 3 years and I just would love to express the growth he has shown. He has evolved into one of the most mature young men I know. He is passionate in everything he does. He is an outspoken young male who strives to be the best in all of his everyday activities. He outshines some of the adults at this voluntary program. I have reviewed his academic excellence before writing this recommendation and what he is doing in the school building is astonishing. He is the only male in the Top 10 of his class. I am proud to be one of his mentors and you all would be proud to have him a part of your program. This young black man has a mindset for greatness.

Sincerely,

Shaniya Carter

Mentor
