Re: Letter of Recommendation on Behalf of Scholarship Applicant, Marcus Trawick, IV

Dear Members of the Scholarship Review Committee,

I have the privilege of writing this letter of recommendation on the behalf of a young man that I have known since the time that he was in Grade 9 here at Cristo Rey Atlanta Jesuit High School.

Marcus Trawick, IV [herein Marcus] is a young man that epitomizes scholarship, strong character, and friendship. He has displayed the characteristics of a leader since the time that he began high school. Because of his leadership ability and his ability to focus intently, Marcus was selected to be a Co-Rector (chief student leader) for the Senior Kairos Retreat for the males in Grade 12 and invited males in Grade 11. Kairos (Greek: In God's Own Time) is a four-day/three- night retreat that our school hosts each year, one for the males and one for the females. The retreat is heavily led by senior students who were selected to experience the retreat as juniors. The rector, along with the Adult Retreat Director, must make sure that the other senior student leaders are preparing their respective responsibilities and he is responsible for making sure that the actual retreat moves smoothly and in a timely manner. Marcus performed his rile in a stellar fashion.

Marcus is an erudite young man; because of the high level of scholarship that he demonstrates, Marcus has been accepted to Georgia Tech University, University of Notre Dame, Florida A & M University, and Georgetown University to name a few.

Marcus Trawick, IV is deserving of a scholarship from Omega Psi Phi Fraternity, Inc, Eta Omega Chapter.

I contend that he will make your fraternity proud of his future endeavors.
