To Whom It May Concern:

It is with great pleasure that I am writing this recommendation letter for Christian Clayton. I was Christian's AP Language and Composition teacher and have known him for the past year.

As a student, Christian excels in whatever he sets his mind to and his classes are no exception. In his Advanced Placement courses, he has maintained excellent grades, which demonstrates his outstanding analytical abilities and his prompt, ever-present, nature in those courses. Subsequently, Christian is also a standout at Westlake High School with his 96.4% GPA, which is no easy feat. Nothing has ever prevented him from excelling in his academics; he is determined to be at the top of his class and is an excellent role model for all students at Westlake High School.

Christian does not only just excel in his courses, but also in all of his extracurricular activities and volunteer experiences. Christian is an active member in several organizations outside of class, including National Society of High School Scholars, which helps him make connections with college opportunities and ways to help his community. He is an active member of the Westlake High School Varsity Baseball Team, and he is an active member of National Honor Society, 21st Century Leaders, and the Secretary of Jack and Jill of America, Greater Metropolitan Chapter. He has participated in the Summer Leadership Academy at Georgia State University, which assisted him in becoming a leader in the classroom and a leader of Westlake High School. All of these prestigious organizations require students to uphold a certain level of academic and personal integrity, which he more than demonstrates on a daily basis. Additionally, Christian has obtained over 100 hours of community service where he has participated in peer tutoring, Hosea Helps, Westlake High School's Summer Bridge Program, and Shanti Das Thanksgiving No Reservations Feed the Homeless Event. Christian has clearly demonstrated he is a well-rounded student.

I feel certain that you will be as impressed with this young man as I have been through the course of this past year. As an educator who is dedicated to helping deserving students succeed, I strongly encourage you to consider Christian Clayton. Please contact me with any questions and let me know if I can provide any additional information in support of this deserving student. You may reach me at (678) 435-6160 or griffins2@fultonschools.org.

Sincerely,

Samantha L. Griffin
