Fellow Brothers of Omega Psi Phi Fraternity, Inc:

It is my pleasure to write to you as the uncle of Elgin D. Neal II (Duke), who is applying for the Eta Omega Chapter Scholarship. Over the years, during my time spent with him, I determined that Duke epitomizes the four cardinal principles of our organization. When I think of Manhood, I have observed Duke lead academically, socially and as a teammate. He has become a leader on the court and in school.

Duke is an active participant in numerous sports, clubs, and organizations within Tri-Cities High School. He is a four-year member of the Varsity Baseball Team (two years as captain), two-year member of the Varsity Basketball Team and 2022 State Basketball Championship Team, Reigning King of DECA, Honor Roll Scholar, member of the National Society of High School Scholars, The Visual & Performing Arts Magnet Program, and the Talented and Gifted Program.

As an honor roll student and athlete, Duke exhibits Scholarship mentality in and outside the classroom. He is heavily involved in the community, volunteering at the Atlanta Food Bank, Tri-Cities High School Alumni Drives, Tri-Cities High School fundraisers, the East Point Turkey Drives, and many other worthwhile organizations.

Some words to describe Duke are, respectful, positive, passionate, and uplifting. Things haven't always come easy for him, but I have seen Duke persevere against the odds to accomplish his goals. His ability to not succumb to peer pressure is what I admire most about him. This can be something extremely difficult for his generation.

I am so proud of this young man and ecstatic about the next chapter in his life. This scholarship will allow him to be successful in this next phase. I wish the best for Duke and look forward to watching his success. Duke is a driven, dedicated, and determined young man who would be a deserving representation our organization. I can't imagine a finer young person being the recipient of the Eta Omega Chapter Scholarship.

Eternally,
