To Whom It May Concern:

I am pleased to be able to write this letter of recommendation on behalf of Mr. Kenton Bowers. This young man is a perfect leader in the making and has rose to the top of his class, distinguishing himself as a brilliant, inquisitive, and vigorous scholar. He exudes great initiative and diligence; he is always able to develop intelligent plans and implement them successfully. As his School Counselor, I have watched this young man develop both academically and personally into a mature individual ready in every way for his college years.

One thing that I acknowledged in my interactions with Mr. Bowers is his maturity and substantial growth. As a student, he demonstrated a love of learning and the level of commitment necessary to succeed in college and beyond. He has proven to his peers and me that he can succeed in anything that he puts his mind to. He never settles for second best, and he utilizes class time in a productive and determined manner. In addition to having firsthand knowledge of his academic commitment, I am also familiar with his educational goals, as well as the challenges he will face when it comes to funding college tuition. I cannot think of anyone more deserving, and I can wholeheartedly recommend him for the Scholarship with the Eta Omega Chapter of Omega Psi Phi Fraternity, Incorporated.

Based on my time spent with Mr. Bowers, I recommend him very highly, as he possesses the unique qualities that embody the characteristics of a scholar in the making. I feel certain that you will be just as impressed with Mr. Bowers as I have been. I am confident Mr. Kenton Bowers will exceed your expectations. Please do not hesitate to call or email me if you require further insights into his skills or character.

Sincerely,

Anthony C. DeCosta
