It gives me great pleasure to bring Kenton D. Bowers to your attention. Kenton is one of a select few, students of merit I have this school year. His pursuit of academic excellence has resulted in membership in the National Honor Society as well as the National Beta Club. He has been consistently enrolled in Advanced Placement and Honors classes as well as Dual Enrollment this final year of high school. Moreover, I am pleased to share that Kenton is number 32 in his graduating class which is among the top 10%! He appears to have an innate desire to be the best which prompts him to exert a great effort in every task he undertakes.

Regarding his leadership ability and intrinsic drive, Kenton exemplifies these talents whether inside or outside of the classroom. He has been a volunteer at Ivy Preparatory Academy; a nutrition intern within the Atlanta Public Schools; and a volunteer with the Housing Authority of DeKalb County. Kenton welcomes opportunities to be of service to his peers and to those who need assistance. His academic successes and his civil/community engagement qualify my opinion of him and hence is the reason that without reservation I bring Kenton D. Bowers to your attention. He is certainly an asset to any organization as well as an industrious laborer who is surely to make his community and family proud in the days ahead.

If I can be of any further assistance, please do not hesitate to contact me.

Warmly,
