To Whom it May Concern:

I am elated to write this letter recommending Mr. Uchenna Ukonu to you. I taught Mr. Ukonu 10th Grade Honors World Literature and Composition, and I am currently teaching him 12th Grade AP Literature and Composition. Mr. Ukonu is highly intelligent, diligent, and dependable.

Uchenna understands the importance of receiving a good education; therefore, he strives for academic excellence. He has always enrolled in rigorous AP and honors classes. In fact, he gives 100% to all his assignments, and I have come to expect only the best from him, and he has not disappointed me. His class work is exceptional, and his projects are always of the highest caliber.

In addition, Uchenna is compassionate and altruistic. He assists his peers in any way possible, which makes him a great leader.

In fact, Mr. Ukonu is one of my most dedicated students. He has excellent intellectual abilities and leadership skills, and he is extremely self-motivated. His performance in class demonstrates that he is responsible and cares for others. He works well with his peers and contributes to the intellectual atmosphere of the class.
