To whom it may concern:

I am honored and excited to write this letter of recommendation on behalf of Mr. Mykahl Walker. Mykahl is a great student here at Mount Zion High School. I've had the pleasure of teaching and mentoring Mr. Walker in the fullest of his high school career. Mykahl is a distinguished learner. His academic success reflects his high school career. Mykahl has a well-rounded GPA of a 3.643.

Mykahl illustrates a high level of discipline and academic success. Mr. Walker works hard, studies, and participated in class daily. He asks probing questions and endeavors to exceed expectations. During class discussions, Walker is fully engaged. He makes connections to other content; making the content relatable to present era. He also illustrates an awesome display of critical thinking skills and leadership skills. In collaborative groups, He leads his group and assist others with understanding. His work proves academic achievement and I have no doubts that his motivations extend beyond the high school level.

Walker would be a great candidate for a student leadership program. He is adamant in serving the community of his school. He is a member of Mount Zion High School tennis team. He also serves on Mount Zion's SGA as class historian. He works hard to balance school and social life. It has truly been an honor to mentoring Mr. Walker. It is in my best wishes that this recommendation letter serves him well. He is fully competent in accomplishing any task set before him.

Sincerely,

Mr. Erick Lately
