To Whom It May Concern:

It is with great pleasure that I recommend Simeon Bunkley for the Eta Omega Scholarship 2023 High School Scholarship. Simeon is a very conscientious individual who is highly motivated and loves the art of debating. His level of confidence and maturity is not often seen in high school students. He has a spirit and love for learning. As his transcript and resume illustrates, Simeon has the qualities of not only a great academic student but a well-rounded student. Simeon's success is clearly seen within his spotless record of accomplishment during his tenure at Westlake High School.

Simeon's exemplary attitude and remarkable passion to be a successful student has contributed to the school community in a variety of ways, most notably through his participation in the Westlake High School Math and Science Magnet Program, Assistant of the Westlake Debate Club, Student Government Body Senior Representative, National Beta Club, member of the Men of Westlake, National Honors Society Member, Science National Honors Society Member, an ACAP member with the National Association of Black Accountants, and being a Full IB diploma candidate as well.

Simeon has been doing well for both Advanced Placement and International Baccalaureate

classes throughout his highschool experience as a result of his stellar academic performance and outstanding SAT (1040) and ACT (21) scores. He has received numerous accolades for his academic efforts including the Westlake Principal's A List and the AB Honor Roll. As a result of his thirst for knowledge, Simeon participated in a week-long residential space camp sponsored by the U.S. Space & Rocket Center.

Simeon is a dedicated, versatile, and high achieving student who will be an asset to any program. He has my respect and my highest recommendation. If you have further questions, I am always ready to entertain your inquiries. Do not hesitate to contact me on my office number at 470-254-6482.

Sincerely,

Mrs. Ayrica L. Crawford
School Counselor
Westlake High School
