To whom it may concern:

I am writing to strongly recommend Christopher Lambry for admission to your institution.

Christopher is an excellent student and a diligent ambassador on behalf of his peers. He serves as a member of my Student Advisory Council, a group of high school students who meet regularly with me to discuss the impact of state policies in the classroom. These students also engage extensively in community service work and serve as my ambassadors to their respective schools. Approximately 1,500 students apply to serve on the council each year, with fewer than 70 students selected.

Christopher, specifically, has stood out among his fellow Student Advisory Council members as exceptionally attentive, proactive, and engaged.

In the course of my work, I've had the opportunity to work and interact with many of Georgia's 1.7 million students. It is always a pleasure to recommend a student who goes above and beyond, and I can say without hesitation that Christopher is one of those students.

If I can provide any further information, please do not hesitate to reach out. Call my office at 404-657-1175, or send an email to rwoods@doe.k12.ga.us.

Sincerely,

Richard Woods
State School Superintendent
