

Letter of Recommendation: **Mr. Evan Lesure**

To whom it may concern,

Describing Evan D. Lesure is a difficult, yet exciting task, only because he has so many exceptional qualities. He has been a warrior throughout his matriculation through his Maynard Jackson High School (MJJ). He has maintained a grade point average over 3.9 and this includes several time-consuming honors and joint enrollment classes. As his club sponsor and mentor, I have observed Evan constantly demonstrates the highest degree of integrity and maturity in and out of the classroom. One thing that sets Evan apart from other students is his genuine compassion toward knowledge and understanding, and his ability to accept constructive criticism and make the necessary changes to grow. Evan is also unique in his level of extra-curricular activities. He is president of MJJ male mentoring organizations, Founder and President of the MJHS Fashion Club, coach of a little league basketball team and an active member in his youth ministry at church. He has become very helpful in sharing his organizational, leadership and interpersonal skills with others. Last, but not least, is Evan 's poised, humble and pleasurable personality. He has maintained excellent relationships in and out of the classroom, and has been an extraordinary role model for his peers. Altogether, Mr. Evan D. Lesure has grown to be an exemplary young man, one that we in education are striving to produce. There is no doubt in my mind that he will be an outstanding recipient of your scholarship. I am writing this letter of recommendation without any hesitation, that Evan will definitely make himself, his family and "Emerging Black Leaders" Scholarship proud of the contributions he will bring to your organization.

Sincerely Yours,
