To Whom it May Concern,

I am pleased to write a letter of reference for Devonte Warren. I am his Theater Arts teacher at South Atlanta High School and have had the pleasure of working with him during the last year. As his teacher, I have had a chance to observe his participation and interaction in class and evaluate Devonte's knowledge of the subject matter. He is an outstanding student in all respects.

Devonte has proven that through hard work, follow-through, and teamwork, he can accomplish tasks in a courteous and timely manner. Devonte comes to class prepared to learn every day and stays on task. He works well with his classmates to ensure everyone can complete their assignments on time and correctly. Devonte is well-equipped to grow from the challenges that he is presented with. His Determination, focus, and ambition prepare him to make use of the opportunities presented to him.

Devonte is an outstanding student and individual who supports others in and out of the classroom. He was a pleasure to have in class, and his positive attitude and belief in himself, even in the face of difficulty, is an immensely admirable asset. It has been a joy to work with Devonte and I am proud to be able to provide this letter of recommendation. I can be reached at (678) 612-4035 or david.kote@apsk12.org if you have any question's regarding Devonte Warren application.

Sincerely,

To Whom It May Concern:

It is a pleasure to be extended the opportunity to write on behalf of Mr. Davonte Warren (DJ). Davonte is academically proficient in all academic areas especially Math. As his school counselor for the past few years, he has shown great character and maturity. Davonte's qualities, both within and outside the school community, makes him the ideal student model.

Davonte is a multi-layered person. He is a student, an athlete, employee, and a volunteer. He puts the student in student-athlete first. He has maintained the A/B Honor roll for the last three years of high school. Davonte is not a person on many words but speaks loudly with his actions. I can always count on Davonte, which is why he is one of the school's Hornet Ambassadors (student aide). Davonte works hand in hand with one of our math faculty members. He also makes time to help in the community. Davonte has spent many hours distributing supplies to teachers and staff at one of the local elementary schools. With all this said, Davonte stands out in his ability to manage all his responsibilities. This takes wisdom and great time management skills.

Davonte plans to major in Kinesiology, with aspirations to work in the Sports Medicine field. He is a very intelligent and altruistic young man. I am confident that with his motivation and work ethic, he will go far. Please do not hesitate to reach out for further information, as I would be more than willing to advocate for Davonte's future.

Sincerely,
