Eta Omega Chapter: Dr. Alfred D. Wyatt, Sr. Talent Hunt Award

The Talent Hunt Program is one of several Fraternity-wide programs of Omega Psi Phi Fraternity, Inc. The first Talent Hunt was held April 19, 1946, in Charlotte, North Carolina. The original statement included this expression: "Creative and outstanding capacities in any honorable activity should be eligible for consideration."

The need for such a program was born out of the unequal opportunity afforded to some American youths to develop and give full expression to their talents. This program provides exposure, encouragement, and financial assistance to talented young high school students.

Presently, the Eta Omega Chapter's Talent Hunt is named in honor of Brother Dr. Alfred D. Wyatt, Sr. He has a remarkable record of service. Brother Wyatt was the Fraternity's National Chairman of the Talent Hunt Committee for three years as well as chaired or co-chaired Eta Omega Chapter's Talent Hunt for more than sixty years. We will continue to search for and support our gifted youth.
