

Greetings:

Eta Omega Chapter of Omega Psi Phi Fraternity, Inc. seeks your support as we celebrate 105 years of service to Metro Atlanta. We humbly ask you to purchase ad space in the Commemorative Journal for our **2024 Achievement Week Awards Banquet**. The Banquet will be Sunday, November 10th at the Renaissance Atlanta Airport Gateway Hotel. Each of the Banquet's guests will receive the Commemorative Journal.

The Omega Psi Phi Fraternity, founded in 1911, is an internationally renowned service organization with numerous notable members in fields including politics, medicine, sports, and entertainment. Eta Omega Chapter was chartered in Atlanta in December 1919, the first chapter of any Black Greek-letter organization to be established in the state of Georgia. Through the years, active chapter members have included Atlanta business and civil rights leader C. Clayton Powell, former Mayor Bill Campbell, Atlanta City Council President Ceasar Mitchell, Braves Hall of Famer David Justice and a host of other prominent leaders in the fields of education, religion, law, business, and community affairs.

Through our fundraising efforts, we have given over \$300,000 in scholarships and stipends to college-bound students and funded community action efforts such as Voter Registration and Education; social service fairs; and an award-winning mentoring program, The Omega Manhood Leadership Institute (OMLI), which received the prestigious A+ Award from the Atlanta Chamber of Commerce and Atlanta Public Schools.

Your support through our 2024 Souvenir Journal will help us continue our community outreach activities.

Instructions and donation options are on the next pages. If you have any questions, feel free to contact any of the following Chapter Brothers:

GUIDELINES

The souvenir booklet will be printed black/white inside text and copy with a full color two-sided cover. ***Trim size is 8 1/2 x 11 without bleed.***

Electronic submissions are preferred due to their higher quality. It is our further preference that all Souvenir Journal **booklet ad copy and logos** should be formatted and scanned to **300dpi resolution** from a scanner or other multi-function device into a **PDF file ONLY except for photo submissions.**

Most documents created in desktop publishing software applications such as Microsoft, Adobe, etc can be used to produce this quality. Before scanning your document, please check the device's settings. Most scanning devices are defaulted at 200dpi; therefore, you may have to change the setting to 300dpi.

Send Electronic Submissions to: info@HQ1919.com *Include a scan of the preceding page in the E-Mail along with your payment to Eta Omega Chapter.*
