To Whom It May Concern,

I am the School Counselor at BEST ACADEMY 6-12 and I came to know DeCarlos Mckinney as his 9th Grade Graduation Coach and is now serving as his School Counselor here at BEST ACADEMY 6-12. DeCarlos McKinney distinguishes himself as a team leader that demonstrates an exuberant amount of liveliness. He is well respected by his classmates and always contributes innovative suggestions to the group while participating in his academics. I admire his eagerness to participate in school activities such as the Beta Club, 100 Black Men Scholar Academy, Boys Track, and Cross County,

Overall, DeCarlos McKinney is highly intelligent and has good analytical skills. His principle on dependability demonstrates his understanding of trustworthiness, consistency and uniformity. He also exemplifies compassion, thoughtfulness, and benevolence for his fellow classmates. DeCarlos is by far an asset to many of the activities here at BEST ACADEMY 6-12 School. He is well-disciplined while involved in class activities and an industrious student with a pleasant personality. DeCarlos performs well in group settings and as an individual contributor. He also involves and challenges himself in the group activities and encourages his peers to do the same. DeCarlos Mckinney is not only interested in learning new material, but put great work into assimilating it to his own experience. If I can be of any further assistance, or provide you with any further information, please do not hesitate to contact me.
