To Whom it May Concern:

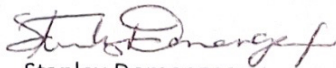

I hereby make the following recommendation on behalf of Elgin D. Neal II, for the Eta Omega Chapter Scholarship. I have known Elgin "D. Neal II (Duke), as a mentor, and neighbor since 2007. I have watched him grow through the years, from a toddler, pre-teen and now a teenager, preparing for the next chapter of his life... College. I believe Duke will be an excellent recipient for the Eta Omega Chapter Scholarship.

Duke is an Honor Roll Scholar, Athlete, and volunteers effortlessly in his community. He has volunteered at the Atlanta Food Bank, East Point Turkey Drive, Tri-Cities High School Alumni Drives, School fundraisers and so much more. In the time spent with Duke I have come to know him as driven, dedicated, and determined to succeed. He is always respectful, positive, and desiring to be better. He is dependable and always demonstrates leadership. He remains focused and does not give in to the pressures of his peers.

Duke is an active participant in sports, clubs, and organizations within Tri-Cities High School. He is a 4-year Member of the Varsity Baseball Team (Captain 2 Years), 2-year Member of the Varsity Basketball and 2022 State Basketball Championship Team, Reigning King of DECA, Honor Roll Scholar, Member of the National Honors Society, Magnet Student and the Talented and Gifted Program.

It has been awesome watching Duke develop into a young man who is ready to embark on his next chapter of life. I wish the best for Duke and look forward to watching in succeed. I feel he'll be an amazing recipient of the Eta Omega Chapter Scholarship.
